

Publications List

An asterisk indicates a publication that has been added to the list in the past 90 days. To order publications (one copy per publication please), call the CIWMB Publications Clearinghouse at 1-800-CA-WASTE (California only) or (916) 341-6306, or you can send an e-mail to : pubs@ciwmb.ca.gov. Please have the publication name, number, and subject category ready when you call or include it in your email. In the interest of waste prevention, please limit your order to five publications at a time.

You can also order hard copies of our publications, and view or download most of them from our online Publications Catalog (often more current than this list because it is updated daily), at www.ciwmb.ca.gov/Publications/.

A few publications have a cost associated with them. We cannot fill these orders until we receive a check made out to "CIWMB" for the amount indicated. Mail your request with a self-addressed mailing label to:
